

Telehealth Evisit Page Information

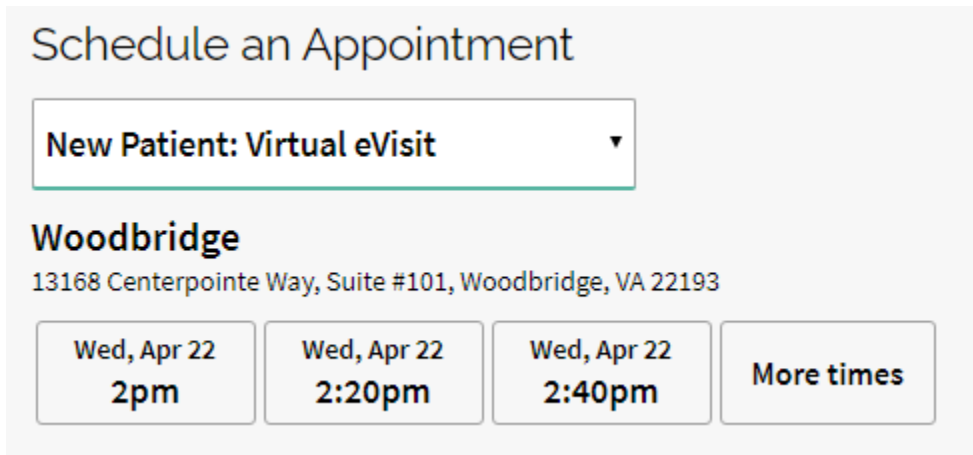

Millennium Medical Care offers eVisits and appointments can be scheduled by clicking on

Once a Location or a provider that you want to schedule is selected initiate an appointment booking by pressing the Schedule Online button.

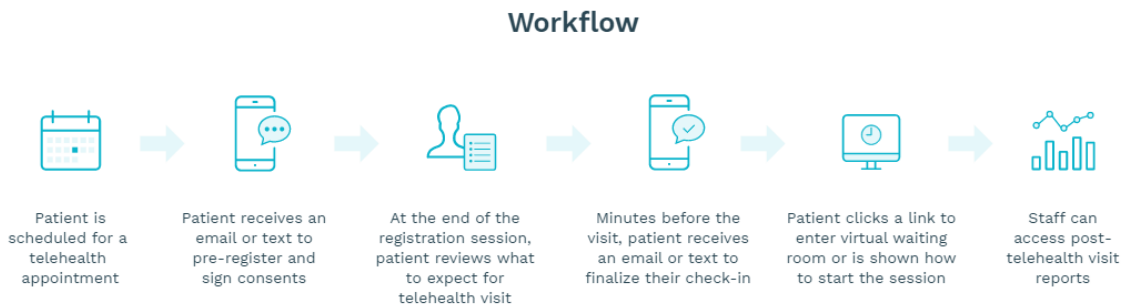

Choose Virtual eVisit as appointment type at the location or physician of your choice. You can click on more times to select the appointment date and time you prefer.

Once the appointment is booked in our system, based on the day and time of the appointment made our Phreesia registration process will send an email 3 days before the appointment and or 90 minutes before the appointment.

The Phreesia Intake workflow is as below

It's important to finish the Patient Pre Visit registration ASAP. **You will get another text and email 10-15 minutes before the appointment to finish paying for your copays or deductibles and will be directed to the virtual room of the provider you would be seeing.**

Very Important to use the correct Email and Phone Number so that our staff can contact you in case of any issues or technical difficulties.

Patient's preferred phone number collected during pre-visit and displayed in Dashboard via icon to facilitate telehealth visit

Telemedicine Virtual Visit Instructions English

You are scheduled for a virtual Telemedicine appointment.

We want to ensure you have all of the necessary information to begin your appointment on time, and that you understand what to expect. Prior to your appointment, you will be sent an email that contains a link to access your virtual Telemedicine session.

In case any issues arise, a member of our staff will contact you at your preferred phone number.

Enter your preferred phone number for your upcoming Telemedicine appointment*

(555) 555-5555

Thank you for entering your preferred phone number. If we do not see you begin your virtual visit on time, someone will contact you. To prepare for your virtual Telemedicine appointment:

- Make sure you are in a private and comfortable location at least 10 minutes prior to your scheduled appointment time.
- Ensure you have access to your cell phone and an internet connection.

You will receive an email and/or text message with instructions to enter your virtual telemedicine session.

We look forward to speaking with you soon.
